BACCARAT CRYSTAL JEWELRY, GIFT, DECORATIVE ITEMS :

The neo-classical style, for example, to create a link with history and keep in step with changing tastes.

It takes 15 years to master the techniques and tap the infinite possibilities for sculpting crystal.

Fashioned little by little, blown to the mouth for the appearance of the increasingly precise form of the final object.

The master glassmaker worked with very simple tools: palette, pliers, and scissors.

Ironing his piece in the oven to prevent hardening of the material, the master glassmaker may add a handle or foot, from the molten dough.

The decoration is made by wheel engraving, in the diamond grindstone, with copper or stone discs, or with acid.

This is the story of a city, a factory established in Lorraine, of a whole human community that has lived and grown in the surroundings.

Pick 6 numbers out of 49 numbers and then our system will pick the bonus ball for you.

And that's it - you're all set for a big win! The draws take place every day, twice a day - so you always have the opportunity to participate in this game.

How to Play UK's Syndicate from South Africa?

When joining, you get to choose how many shares you want.

The more shares you purchase - the bigger your piece of the jackpot if the ticket wins.

The second prize is pretty awesome too - R5,000,000 for matching 5 balls + bonus ball.

But the main advantage of this game - you can play consistently, every day twice from anywhere in South Africa! Until you take home the jackpot!
