The highest-price tier of Xbox Game Pass, known as Game Pass Ultimate, has significantly contributed to Xbox's revenue growth in recent years.

According to the EU's findings, Xbox's revenue has consistently increased from 2019 to 2021, thanks to Game Pass Ultimate.

On PC, Game Pass Ultimate shares grew from 20-30 percent to 70-80 percent over the two-year period.

5 million in revenue.

Game Pass Ultimate offers a bundled subscription that includes both the console and PC tiers, allowing players to enjoy titles on both platforms.

Microsoft emphasizes the additional benefits of this tier, such as cross-platfo
