Like with anything, the more experienced you are, the more you can charge, and you should consider upping your rates every few months in order to achieve a salary that supports your dream lifestyle.

When it comes to getting paid to be a virtual friend, you shouldn't put all of your eggs in one basket.

The last tip is to do with personal safety. You should ensure you choose a reputable site like the ones listed below if you're wanting to make a career out of becoming a virtual friend.

You should also avoid giving out personal information, such as your address or bank details to anyone you don't know in real life.

However, it also provides the opportunity to act as a virtual friend for those seeking a connection over the internet.

However, as a freelancing site, Fiverr also attracts people searching for more personal matters, such as online friends.

It also provides the freedom to earn as much as you want and is easy, and most importantly, enjoyable work.

Don't worry, we've got plenty of other options that don't require chatting with strangers. Read more about the best jobs for digital nomads.

The most popular types of free bet are: matched free bet, matched deposits, enhanced odds bonus, no deposit free bets and stake not returned bets.

This means your bet will be matched by the bookmaker, so a £25 wager becomes a £50 total bet.

Matched deposit this is where the bookmaker matches the sum deposited by a player into their casino account, so a £30 deposit becomes £60 to play with.

Boxing is another popular sport amongst bettors, so please make sure you check our boxing betting offers & free bets page ahead of a big bout.

Winnings In a few, rare situations, free bet offers may have a cap on the amount you can win using your free bet credits/tokens.

If you are in any doubt about free bet sign-up & C's we suggest that you get clarification from the bookmaker's customer support staff before entering the free bet promotion.
