Step 5 Select the Right Reason for Refund

Depending on how Amazon tweaks this part of the process, different reasons will be listed in a select one format.

However, these refunds are processed and approved on a case-to-case basis, and there are no buttons to facilitate or encourage returns after a week.

The quicker you attempt to return, the likelier you are to get a refund. This is especially true if your return attempt is within 3 months of purchase as authors are paid out after every 3 months.

You can return a Kindle ebook if you've only read enough to realize it was an erroneous purchase. If Amazon detects that you have read a significant portion of the ebook (well past the preview), ebook return will not be accepted. You can return books borrowed on Prime Reading after you've read them.

Some readers turn off their Kindle's internet to read the book offline and return it from their computers.

Click "return this book" in the pop-up menu.

Ted Hartwell has been gambling since childhood.

According to the National Association of Addiction Professionals, problem gambling actually has the highest suicide attempt rate (up to 20%) of all addictions.

population, but the research is outdated and underfunded.

Football fans will bet an estimated \$16 billion on the 2023 Super Bowl, according to the American Gaming Association (AGA) - an all-time record and more than double the figure the group projected in the runup to last year's Super Bowl.

"As of this writing, no federal funds are earmarked for problem gambling research or treatment, unlike drug, alcohol, and tobacco addiction, which get billions of federal dollars each year."

"It's hard to seek help and tell a stranger, 'I spent \$30,000 or drained my wife's bank account,' or evidence on how to treat and prevent it, it's hard to see the growing number of Americans participating in legalized betting as a net positive."
